

RE-DESIGN YOUR FAVORITE MUSIC ALBUM

NAME: _____

CLASS: _____

Students will create an artistic re-imagining of their favorite music album in the form of a accordion book using collage.

Your accordion book will be an artistic interpretation (similar to a CD jacket) of a music album of your choice. You will strive to create the mood of the album so someone could understand what the album is about without hearing the music.

Album: _____

Artist: _____

Your Top 3 Songs on this Album: _____

Why is it your favorite Album? _____

BRAINSTORM

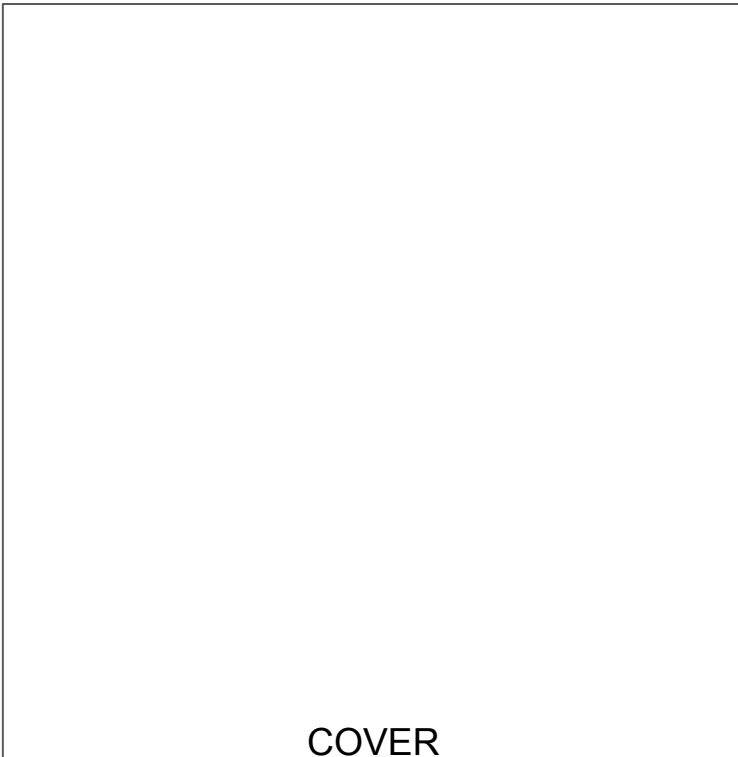

Write out as many images as you can that come to mind when you think of this album. Think of different song lyrics, the mood of the music, etc. These could be both literal interpretations of the song lyrics OR imaginative scenes. Consider how COLOR can create MOOD.

Sketch it out!

Sketch out ideas for each page of your book. There will be 6 Pages in total, including a front cover and back cover.

- Your front cover should represent a re-design of your albums cover.
- The inner pages will be artistic representations of songs with or without lyrics.
- The back page will be written by you to explain why you chose this album and why it is important to you.

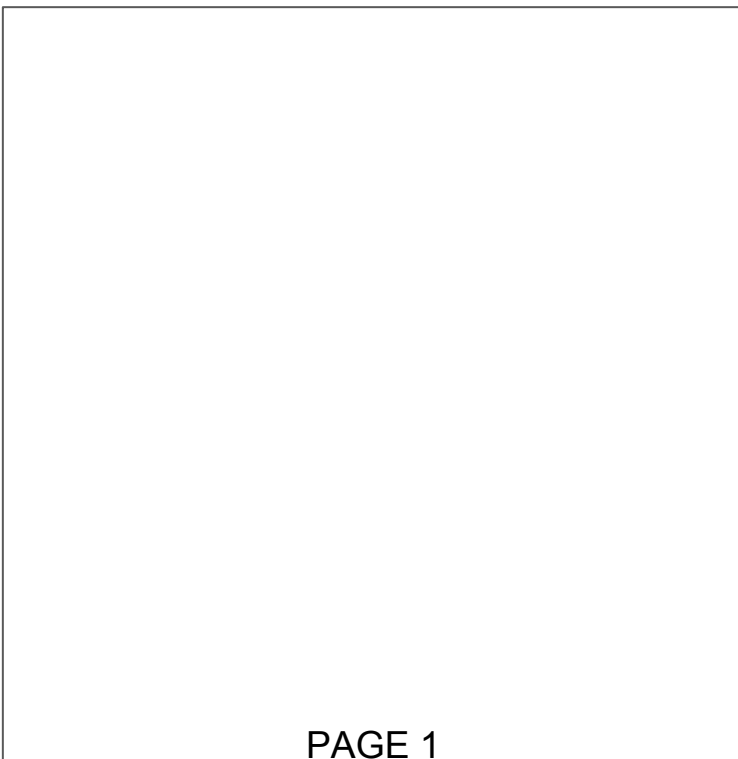

YOU MAY NOT COPY ORIGINAL ALBUM ART. YOU MUST CREATE YOUR OWN RE-DESIGN!
